

EXTRA SERVICES FOR BRAT!!!!

Bubba's Pampered Pedalers

If you want to really do the BRAT right, you have to sign up for Pampering. Check out Bubba's Web Site (www.Bubbaspamperedpedalers.com) and let him handle all your stress for the week. When you finish your daily ride, Bubba has a tent, air mattress, and a chair all waiting for you. He even transports your luggage and gives you a fresh towel for your shower. I promise you, it is worth every penny! No worries! All Bubba Patrons stay in the "Pamper Zone" which is usually the best camping spot since he gets there first to pick it out! Only those who experience the inner Bubba circle truly understand!

Towel and Chair Rental

Nothing like a fresh, clean, extra large, bath towel for showering after a great bicycle ride and a deluxe, camp chair to totally relax in after that shower. New to BRAT this year, Bubba will be offering Towel and/or Chair Rental. Advanced registration required. Registration Form linked below:

Glen Morey will be returning again with Professional Event Massages. He will also be providing transportation of baggage to and from local hotels. <http://www.eventsbikerideservices.com/>

Coffee and COWFUN!

Start your ride off RIGHT! Enjoy a great cup of coffee in the morning, spend the day taking pictures as you enjoy your ride, then create your own vacation postcards to mail to your friends and family when you arrive at tent city.
